WHAT IS THE PURPOSE OF THE PROJECT?

The project targets the lack of intellectual property informatics and management skills, i.e. 'IP for business' skills, that are enriched with green, digital and entrepreneurial skills. Their lack can present a barrier to successfully engage in the new (digitally enabled) transitions towards more sustainability and circularity, whilst achieving economic growth.

WHAT HAVE WE DONE SO FAR?

IPR4SC project kicked off in June

The kick-off meeting was held online via Zoom, between 6th June and 8th June 2022, where all project partners were gathered to discuss the basics of the project, the main aim of each thematic work package, and the activities for the fruitful implementation of

Needs and Competencies survey

In WP2 we would like to access the needs of the project's target groups: HE students/teachers, HE TTOs, VET organisations and learners, SMEs, patent attorneys, patent offices, and to define the contents of the topics to be included in the
