## Welcome to the IPR4SC newsletter!

We are happy to present you the sixth newsletter of IPR4SC – Developing Skills in Intellectual Property Rights Open Data for Sustainability and Circularity.

**Get to know what we have achieved so far!**

---

## Main results of the past months

---

## IP Monitor update

IP Monitor features a new category called start-up. The IP Monitor now also offers information on available resources about startups, crucial players in driving circularity, sustainability, and innovation.

IPR4SC

Co-funded by the European Union. Views and opinions expressed are however those of the author(s) only and do not necessarily reflect those of the European Union or the European Education and Culture Executive Agency (EACEA). Neither the European Union nor EACEA can be held responsible for them.

## Events organized

### Project meeting in Bodø

The third on-site partnership meeting was organized by NORD University. Meetings played an important role in shaping a comprehensive and flexible learning program using a combination of innovative teaching methods and tools to address different learning needs.
