What have we done so far?

First partner meeting

Partners finally met face to face in Novo mesto, Slovenia. On 15th and 16th of September 2022, FIS hosted the first project meeting to discuss the relevant activities and the achievements of the past months.

Development of IPR Monitor

Partners are developing a unique decision-support and signposting solution for IPR resources, i.e. the IPR Monitor. The IPR Monitor will allow the users to easily navigate through available data sources, tools and platforms for IP data-management in a one-stop-shop format, thereby transcending the current IPR 'maze'.
