I2P4Green Course kicked off!

We're glad that 120 individuals have registered for our course! The consortium has already organized four live sessions and we're thrilled by the engagement and enthusiasm shown by participants so far. We're looking forward to delivering more valuable content in the upcoming sessions.

Partners' training in Pisa

Partners plan to simulate the “IP for digital skills” course and its teaching material alongside experts, ensuring the best learning outcomes for participants. The event, called the “Simulation Lab”, is set to take place at the end of May in Pisa, the location of Erre Quadro, the primary partner for the "IP for digital skills" course.

Be up to date in IP(R)!
